Are you interested in furthering your knowledge in palliative care?

The GRPCC is offering Education Support Funding valued up to $400 to cover registration, to attend the Australian Palliative Care Conference in Adelaide, 6 – 8 September 2017.

Eligibility: Medical Students currently studying in Gippsland.

The APCC17 program has a strong clinical content, with presentations on complex issues including pain and symptom management, and palliative care developments for people with motor neurone, end-stage kidney disease, and chronic obstructive pulmonary disease. It also catered to special interests, such Indigenous and multicultural communities, paediatric palliative care, telehealth and aged care.

Palliative Care Australia (PCA) is subsidising the cost of registrations in order to inspire students to consider working or specialising in palliative care.

Students can attend $400 (valued at $1120) which includes the 3-day conference, daily catering, the Welcome Reception and the National Palliative Care Gala Awards Dinner.

How to apply: Read and complete the GRPCC Palliative Care Education Support Funding guidelines and application form at www.grpcc.com.au. Return completed form to the melissa.spargo@wghg.com.au at the GRPCC, by Friday August 18, 2017.

Further enquiries please contact the GRPCC on the number below.
