

# PALLIATIVE CARE EDUCATION & TRAINING COLLABORATIVE

Funded by the Australian Government Department of Health

The Program of Experience in the Palliative Approach (PEPA) aims to improve the accessibility of quality palliative care in the community by increasing the skills and confidence of health professionals who are caring for people with life-limiting illnesses, and their families.

## Palliative Approach in Allied Health (Session 1 morning) Communication Skills Workshop (Session 2 afternoon)

### Topics covered include:

- What is the palliative approach?
- Life limiting illnesses
- Advance Care Directives and the Medical Treatment Planning & Decisions Act 2016
- Caring for the professional caregiver
- Communication skills training focusing on palliative care conversations

**Target audience:** Allied Health Professionals (only)

**Facilitators:** Carol Barbeler, Palliative Aged Care and Disability Resource Nurse, Gippsland Region Palliative Care Consortium and John Reeves, Clinical Psychologist

**Times:** 9.00am – 4.00pm (registration from 8.30am for 9:00am start). Tea and Coffee provided
